Webinars on Mission-oriented innovation

Using challenge-driven and mission-oriented innovation to address societal challenges

During the autumn we will offer two webinars addressing different aspects of a Mission-oriented approach to innovation and development. The first webinar will focus on practical examples from our region, the South Baltic Sea Region. The second webinar will focus on funding.

Webinar 1: Practical examples of mission-oriented projects

Time and date: Wednesday October 25 at 10-11 (CET) / 11-12 (EET)
Place: We will meet in Zoom (programme will be distributed later)
Link: <https://us06web.zoom.us/j/87241779121>

Webinar 2: Funding mission-oriented projects

Time and date: Wednesday November 22 at 13-14 (CET) / 14-15 (EET)
Place: We will meet in Zoom (programme will be distributed later)
Link: <https://us06web.zoom.us/j/81260174223>

EU Missions

EU Missions constitute a new way to bring concrete solutions to some of our greatest societal challenges. Each of the five Missions have ambitious goals and are expected to deliver concrete results by 2030. To do so, we all need to get engaged and work together.

The five EU Missions are

Adaptation to climate change - Restore our ocean and waters
Climate neutral and smart cities - Transition towards healthy soils - Battle against cancer
